

Burlington
II

*Frelan proudly launches the second phase of the luxurious
Burlington range of door and cabinet furniture.*

*This prestigious range, available in five high quality finishes and
a variety of styles, creates endless possibilities. The introduction of
these new products enables the opportunity to achieve the desired
look in any interior whether it be modern, classic, domestic or
commercial.*

Give in to your imagination

Burlington Leather

In addition to the variety of customisation available to the Burlington Range, Frelan is proud to introduce a collaboration with Bespoke Leather Ltd. Based in a South East London workshop, with 23 leather options as standard, you can now further enhance your ironmongery. Enquire with the team today regarding your upcoming project at: sales@frelan.co.uk
