finish on Solid Brass

Polished Brass  
finish on Solid Brass

*Please note that we offer three fixing methods:*

**Bolt Through:** This is used where the door pull is placed on the front of the door, the door is pierced and bolted from the back.

**Surface Fixing:** This is where the door pull is secured to the door from the front and the door is not pierced.

**Back-to-Back:** This is used where the door pull is secured back to back on the door.
