A close-up photograph of a modern kitchen cabinet. The cabinet is made of dark-stained wood with a prominent vertical grain. A sleek, cylindrical stainless steel handle is mounted on the cabinet door, extending diagonally from the top left towards the bottom right. The lighting is dramatic, highlighting the metallic sheen of the handle and the natural texture of the wood. In the bottom right corner, there is a small grey square containing the number 179.

A close-up, low-angle shot of a sleek, metallic cabinet handle. The handle is curved and polished, reflecting light. The background is dark and filled with diagonal motion blur lines, suggesting the handle is being moved or is part of a dynamic sequence. The overall aesthetic is modern and sophisticated.
